PLEASE NOTE

- DC Unit Classes – it should be noted that “DC” Unit Classes, which are offered by certain Sub-Funds, may distribute out of capital, and there is an increased risk that capital will be eroded and the distribution will be achieved by forgoing the potential for future capital growth of the investment made by the Unitholders in these Unit Classes. The value of future returns in such Unit Classes may also be diminished.
- Charging of management fees to capital – Unitholders should note that all or part of fees and expenses including (if applicable) management fees, may be charged to the capital of the UCITS. This will have the effect of lowering the capital value of the Applicant(s) investment.
- **Please refer to the Prospectus Unit Description Table in the Fund Prospectus, in conjunction with the relevant Supplement Unit Description Table, for specific Share Class information.**

a) Joint Account

Each holder shall individually dispose of the assets in the joint account. In the case of death or incapacity of one of the investors, the surviving investor(s) may continue to freely dispose of the assets in the joint account, unless formal opposition to the contrary from the parties authorized to represent the deceased or incapacitated investor's estate has been received by the Transfer Agent.

The Applicants shall only have the right to deal collectively in all matters concerning the collective account.
In case no box is ticked, option b will be the default.
